

I wish to express my desire to have Klove and stations like it continue to broadcast just as it always has. I don't feel that the FCC should allow new LPFM stations to take priority over current FM translator service. I listen to KLOVE nearly everyday. It brings me encouragement through its message as well as keeps me up to date on current events. Klove is a positive station; without it I feel many people in my area would be searching for good wholesome broadcasting, but unable to find it.

Please do not force Klove off the air.

Sincerely,

Paul and Jodi Acres
